Winter 2021

*For advising purposes only all instructors reserve the right to modify their teaching mode as needed.

**Mode of instruction**

- **Synchronous and recorded**
- **Synchronous**
- **Asynchronous**
- **Remote**

- **My class is synchronous with recordings posted online for students to access.**
- **All lectures and discussion sections will be live and recorded on Tuesdays and Thursdays. Video/films/documentaries, guest speakers and group discussion will be alternated on Thursdays. Students who cannot attend sessions will be able to follow the class and meet expectations.**

- **All lectures will be pre-recorded but discussion sections are ’live’**

- **All lectures will be live and recorded on Tuesdays and Thursdays. Video/films/documentaries, guest speakers and group discussion will be alternated on Thursdays. Students who cannot attend sessions will be able to follow the class and meet expectations.**

- **All lectures will be live and recorded on Tuesdays. Video/films/documentaries, guest speakers and group discussion will be alternated on Thursdays. Students who cannot attend sessions will be able to follow the class and meet expectations.**

- **All lectures will be live and recorded on Tuesdays and Thursdays. Students who cannot attend sessions will be able to follow the class and meet expectations.**

- **Lectures/studio meetings will be synchronous and very few asynchronous lectures/tutorials. Students need to be able to be in “live” class meetings for studio work.**
